

Fall 2018

Dear High Tech Elementary Parents and Local Business Owners,

High Tech Elementary School relies on the involvement from the local community to make it the great school that it is. Thank you to all the corporate sponsors past and present who have donated. We hope you will consider being a corporate sponsor for this school year and continue to make High Tech Elementary great.

DPS provides for basic financial needs, but it is not enough to provide a great well-rounded education for our students. That's where the community comes in. Fundraising efforts help High Tech provide the "extras" for our kids that are not provided by DPS, including our librarian, para-professionals, books and materials for the Maker Space, among other necessary things.

Having neighborhood businesses donate is critical to our school's success. High Tech is nestled in the heart of Stapleton's Conservatory Green neighborhood. Becoming a High Tech corporate sponsor is a great way to gain exposure for your business and support our school at the same time. High Tech has a great school App (downloaded by over 90% of our families) that allows for many powerful and personal marketing opportunities right on our parents' mobile devices, as well as several events that are attended by hundreds of our parents and community members.

Please review the information below and choose your level of sponsorship. You can make a donation via check, credit card or online through the PTA website.

Thank you for considering becoming a High Tech corporate sponsor. Please note that we have an Early Adopter Discount for those that commit before November 1, 2018.

Please contact us with any questions.

Sincerely,

Sarah Killeen, Fundraising Chair
